

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

April 10, 2000 LB 659A, 1107A

PRESIDENT MAURSTAD: The amendment is agreed to.

CLERK: I have nothing further on that bill, Senator.

PRESIDENT MAURSTAD: Senator Smith.

SENATOR SMITH: Mr. President, I move the advancement of LB 659A to E & R for engrossing.

PRESIDENT MAURSTAD: Question is the advancement of LB 659A. Those in favor say aye. Those opposed nay. The bill is advanced. Mr. Speaker.

SPEAKER KRISTENSEN: Yes, Mr. President, members, I just want to explain a few procedural things that we need to do this evening yet. Once LB 659 has now been advanced, it needs to go upstairs for E & R Engrossment. It needs to then come back, so we're going to need to stay in session so it can be reported back, so tomorrow is the layover for that bill, so it can be read on Wednesday. So we'll move on. There are no bills on Final Reading that are going to be returned for Select File amendment for specific amendment, and so we're going to pass that portion of the agenda. We'll go to the final one which is LB 1107A. If that is successful, then we will need to wait for that bill to go upstairs and then come back. I would expect that we would stand at ease. My guess is that that will take somewhere in the neighborhood of 10 to 20 minutes to be properly processed, and then it will be read in, and then we can adjourn for the evening at that point in time. Thank you, Mr. President.

PRESIDENT MAURSTAD: Thank you, Mr. Speaker. Mr. Clerk.

CLERK: Mr. President, LB 1107A by Senator...well, it's on Final Reading, excuse me. Senator Wickersham, the first amendment I have is AM3286, but I have a note you want to withdraw AM3286.

PRESIDENT MAURSTAD: Did you want to withdraw that, Senator?

SENATOR WICKERSHAM: Excuse me, yes, please.

PRESIDENT MAURSTAD: The amendment is withdrawn.
